

## FDCTech participating NEXT BLOCK Conference at Sofia, Bulgaria

On 14 September, 2018 NDK Sofia, Bulgaria will host [NEXT BLOCK Conference](#) “Evolution Of Money” organized by **Krypton Events**, in partnership with **Cryptovest**.

[NEXT BLOCK](#) is one of the leading blockchain conferences in Eastern Europe, bringing together top technology executives, top-tier investors, promising blockchain ventures and industry visionaries from around the world for business and networking.

It brings together **over 350+ participants and 20+ distinguished speakers**. Moreover, the Conference will be concluded by a luxurious **After-Party**, the most fabulous crypto-party of 2018 in Balkans.

### [NEXT BLOCK Sofia](#) Keynote Speaker:

- **Sterlin Lujan**, Communications Ambassador for Bitcoin.com, premier source for everything Bitcoin related. Sterlin is one of the most famous crypto journalists, editors and speakers. STerlin is a well-known anarchist and essayist involved with cryptocurrency and Bitcoin since 2012.

### Among other distinguished speakers you will find:

- **Marc P. Bernegger**, Serial Fintech and Crypto Entrepreneur;
- **Mitchell Eaglstein**, Co-Founder & CEO of FDCTech, Inc.
- **On Yavin**, Co-Founder and CEO at Cointelligence;
- **Pascal Forster**, Board Member, Crypto Finance AG;

And more speakers at [next-block.org](http://next-block.org)!

With the umbrella topic “Evolution of money” the Conference will cover the following topics:

- Digital Assets vs Physical Assets
- Banking the Unbanked
- Challenges of a Crypto Economy
- Finding the Balance Between Financial Freedom and Regulatory Oversight

Conference will also feature an expo with blockchain ventures and an ICO **Quick-fire Pitch Session**, where each partaker will get 5 minutes to earn the investor’s trust.

**The highlight** of the event is the most EXCLUSIVE and STYLISH After-Party in Balkans **which you cannot miss!**

For those who won’t be able to join NEXT BLOCK, **online broadcasting** will be available both in original English language and in simultaneous Bulgarian translation.
