

## **FDCTech teams up with GC Exchange Limited to provide 24/7 institutional liquidity and trading technology infrastructure to FX and Crypto Brokerages**

Irvine, CA: December 10, 2020, FDCTech, Inc. ("FDC" or the "Company," OTCQB: [FDCT](#)), a fintech company with a full suite of FX technology and business solutions, today announced that GC Exchange Limited, doing business as 'GCEX' has partnered with FDC to provide 24-hour crypto trading and tier 1 FX and crypto liquidity using FDC's [Condor FX Pro Trading Platform](#), a fully customizable trading platform compared to legacy off-the-shelf trading platforms. [GCEX](#) is authorized and regulated by the Financial Conduct Authority, FCA (FRN 828730).

FDC's [Condor FX Pro Trading Platform](#) covers the whole spectrum of needs of any FX or Crypto Broker. Firstly, it can be deployed as an off-the-shelf trading platform to enable FX and Crypto brokers to become fully operational within days. Secondly, it allows for the platform's full customizability from the back-end configurations to the front-end user interface to other structural adjustments, thus eliminating several third-party technology vendors' requirements. Coupled with GCEX liquidity, [Condor FX Pro Trading Platform](#) provides a 24-hour trading environment 7-days a week for crypto and forex traders.

[GCEX](#)'s CEO and Founder, Lars Holst, an industry pioneer since 2000, said, "As market volatility continues to drive FX and crypto trading volumes, we believe a robust but flexible trading technology infrastructure is vital to capitalize on this trend. By partnering with FDC, we have ensured that we can deliver a world-class trading experience where brokers can access our tier 1 FX and crypto liquidity."

FDC's Chief Executive Officer, Mitchell M. Eaglstein, stated, "[GCEX](#) is the leading source of multi-asset liquidity for brokers worldwide. Moreover, [GCEX](#)'s team has in-depth business experience building successful global FX brokerages over the last two decades. By adding FDC's trading platform and software development expertise, [GCEX](#) can provide turn-key and affordable solutions for entrants looking to access FX and crypto markets."
